VIRTUAL TEAM BUILDING

Stay connected, stay engaged, stay motivated

- **The Daily Kick Off**

An upbeat, creative challenge encouraging participants to shoot motivational photos and videos in their own home, focussed on boosting morale when your team works remotely. Sharing photos and videos helps get a glimpse into someone's new working environment, helping the team to visualise what life is like for their teammates.

- **The Team Quiz**

Played in the comfort of your own home, this virtual quiz enables teams to connect, have some fun and get competitive. Hosted via video conferencing software with an app and an event manager, you'll be up against your colleagues to see who can score the highest points. With plenty of laughs, this challenge will create that feeling of unity and motivate their competitive spirit without the need to actually be together.

- **Escape Room**

The virtual escape room has arrived. Have you ever got involved in the Escape Room phenomenon? Are you currently experiencing Cabin Fever and NEED to Escape the Room!? Here is the ideal opportunity to have a break with your colleagues and put your minds to more than just answering e-mails from your home office and.... Escape the Room! Challenges abound.
